1982 Suzuki Katana 1000

Details

The 1982 Suzuki Katana GSX1000 SZ—a true gem in the world of classic motorcycles. Originally built with a 1,100cc engine, this model was modified to 1,000cc to comply with AMA Superbike racing regulations. This stunning example is presented in its original silver paint, complete with the factory suede seat cover and twin-pipe exhaust system. In excellent mechanical condition and running smoothly, this Katana is a rare opportunity to own a significant piece of Suzuki history. If you're a collector or enthusiast seeking a standout bike with a storied past, this is the one for you.
